A centuries-old curse has left a family of witches loveless for generations. The next chapter begins as they face their dark secrets and make sacrifices to break the spell. Expected in theaters September 18, 2026. Warner Bros. announced the sequel to the classic fantasy film Practical Magic, with director Susanne Bier at the helm. Sandra Bullock and Nicole Kidman reprise their roles as sisters who come from a long line of witches, fighting against a curse that affects their romantic relationships. The original movie was released in 1998, but its magic failed to cast a significant spell at the box office. The producers are determined to honor the spirit of the first film and create a new enchantment with the sequel. Practical Magic 2 release date announced for September 18, 2026 A sequel to the 1998 film, starring Nicole Kidman and Sandra Bullock as sisters with magical powers is set to hit theaters. Practical Magic sequel gets underway with original cast possibly returning. The beloved cult classic witch movie from the 1990s is getting a second installment with many of its stars looking to reprise their roles. Released in 1998, Practical Magic tells the story of two sisters who try to avoid their family's magical powers until they're forced to use them to bring back their deceased boyfriend. Despite being made during a time when supernatural movies were extremely popular and featuring big-name stars like Sandra Bullock and Nicole Kidman, the film didn't do well at the box office. Now, over 25 years later, a new Practical Magic movie is in development with director Susanne Bier being courted for the project. Bier has worked with both Bullock and Kidman before on other projects and could potentially bring a new perspective to the sequel. The movie's script will be written by original screenwriter Akiva Goldsman. The news of Practical Magic 2 coming to life is exciting fans of the original film, which is still widely popular today. The new installment is expected to release in 2025, although an exact date has not been confirmed yet. Susanne Bier, director of Bird Box, is in talks to helm the sequel to Practical Magic. The surprise announcement was accompanied by news that original stars Nicole Kidman and Sandra Bullock are in negotiations to reprise their roles as Gillian and Sally Owens. Although their returns haven't been confirmed, the involvement of the iconic duo bodes well for the future of the legacy sequel. The film will likely draw from Alice Hoffman's novel series, with Denise Di Novi hinting at adapting The Book of Magic, which sees Aunt Jet discover she has only a few days to live and the Owens family embark on a globetrotting adventure to break their love curse and uncover a long-lost brother.
