If you are a DStv customer in a country within our DStv territories, the DStv app enables you to stream live TV, catch up on your favourite series, movies and sport highlights or download to watch later offline, all on the go. The Live TV and Catch Up content in the DStv app will be as per your DStv subscription package and country where your subscription is held. Due to geo-blocking this content can only be played within the countries in the DStv territories. As a DStv customer you can enjoy all of these features on the DStv app. - Live stream selected TV channels via 3G/4G or WIFI - Catch Up on a selection of the most popular shows, sport, and movies - Download up to 25 videos on Catch Up to enjoy offline later across 4 devices - With DStv Kids use a safe and fun viewing environment with PIN controlled access to enjoy the coolest shows and movies - Access the full 8-day TV Guide and set reminders to plan your viewing Here you can find the changelog of DStv since it was posted on our website on 2013-08-23 02:39:24. The latest version is and it was updated on 2025-07-10 07:50:20. See below the changes in each version. Changes: Our new and improved DStv Stream app is here! Enjoy a smoother, more stable experience and find your favorite content faster. New features include: Enhanced Home Page & Showpages: A visual upgrade with automatic trailer playback. Improved Search: Find content by title, actor, or genre. Cast & Crew: Tap actors' pictures to explore their work and follow them in My Stuff. Update now and enjoy more! Happy Streaming! Changes: A fresh look for Live TV! We've redesigned the Live TV section to be more intuitive and user-friendly. Expect a refreshed interface, faster navigation, and a more seamless browsing experience. Thank you for using DStv Stream. We hope these updates make your streaming experience even more enjoyable and reliable - stay tuned for more improvements in future updates. Changes: Get ready to explore exciting new features and game-changing improvements designed to elevate your viewing experience! With this release, we're introducing groundbreaking updates to the new Cloud PVR functionality, including 24hr Reverse EPG Playback that allows you to watch past events that you might have missed, on Live TV. Enjoying something on Live TV? Add it to your My Recordings list, and find it under My Stuff, available to watch for the next 30 days. Changes: As part of our exciting facelift, we're bringing you even more. Here's what you can expect: - Enhanced Search: Discover your next favourite show with our enhanced genre, cast, and actor search feature. - Engaging Showpages: Dive deeper into your favourite content with our revamped showpages. You can now watch trailers and explore available episodes and seasons all in one place. - Introducing My Stuff (formerly My List): An even more personalised DStv Stream experience. Changes: We've been working on some exciting changes to bring you a more engaging home screen experience. Our latest release features a fresh and modern layout, with trailers playing as you browse. Don't miss the beginning of your favourite Sports, Movies and TV Shows with the Watch From Start feature. Stay tuned! We're bringing you even more this August. Changes: We're excited to bring you a major update to our app, rebuilt from the ground up to enhance your viewing experience on Android TV. With a focus on stable performance and reliability, we've overhauled the app to ensure you enjoy your favourite content in the smoothest way possible. Changes: We've been hard at work improving the app for you. Along with some bug fixes and general improvements. Changes: We've rebuilt our player from the ground up, upgrading and simplifying it to provide a more robust and consistent playback experience. Changes: We've kept everything you like, and added so much more to love. All your favourites, personalisation, account information, Catch-up and Live TV are all still here. We've built on the things you liked, and we've added so much more: Better personalisation for you to discover content. Profiles for each family member. A smoother, simpler streaming experience. Change soundtracks to your local language where available. Here you can find apps that are similar with DStv. We do not host DStv on our servers.
